Dear Distributor

Product Approval Information Document

You are receiving this Product Approval Information Document as you are involved in the distribution of an insurance product ('product') co-manufactured by Accelerant Insurance Europe SA/NV.

Please read this document carefully as it includes important information about the co-manufacturers, product and associated product approval process and fair value assessment.

Co-Manufacturers

Accelerant Insurance Europe SA/NV ('Accelerant') is an insurance company authorised under code 3193 and regulated by the by the National Bank of Belgium and the Financial Services and Markets Authority in Belgium. In the UK, Accelerant is deemed authorised by the Prudential Regulation Authority ('PRA') and subject to regulation by the Financial Conduct Authority ('FCA') and limited regulation by the PRA. Full details of Accelerant's regulatory status can be found at: www.accelins.com/regulatory-status/.

Accelerant co-manufactures products with carefully selected Managing General Agents ('MGAs'), with products underwritten and distributed exclusively through these MGAs. The name and contact details of the MGA involved in co-manufacturing the product detailed in this document are provided in the Product Information section on page 3.

Product Approval Process

In accordance with Accelerant's Product Oversight and Governance Policy, the product detailed in this document - please refer to the Product Information section on page 3 for details - has been reviewed and approved by the firm's Product Oversight Group. The product is subject to ongoing monitoring and formal periodic review by both Accelerant and the MGA as co-manufacturers. Where a significant adaptation to the product is proposed, it is reviewed and, where appropriate, approved prior to the adapted product being marketed or distributed to customers.

Fair Value Assessment

In accordance with the regulatory requirements outlined in PROD 4.2 of the FCA Handbook, the co-manufacturers have analysed a range of value measures and subsequently deemed the product outlined on page 3 to represent fair value to the customer.

To ensure the customer receives fair value from this product, care must be taken to ensure that no duplicate cover exists, for example, where another product has been purchased by a customer alongside a primary product (i.e. an add-on). Where additional services or products - including premium finance - are provided by you alongside this product and/or you receive remuneration in the form of commission and/or fees, this information will have formed part of the fair value assessment. In accordance with regulatory requirements, all commissions, fees and other charges passed onto the customer must be proportionate to the service provided and represent fair value.

Should you wish to:

- request further information on the product outlined in this document;
- request further information on the product approval process and/or fair value assessment;
- provide new information, or an amendment to information already provided, in relation to any additional service(s) and/or product(s) provided and/or any additional remuneration received (e.g. commission, fee or other charge); or
- highlight any concerns about whether the product provides fair value to the customer

please contact the MGA involved in co-manufacturing the product whose contact details can be found in the Product Information section on page 3.

Yours faithfully

Frank O'Neil
Chief Underwriting Officer

Target Market Description:	<p>Product is targeted to SME-Mid market clients in the UK commercial space. We have a minimum premium of £1,000.</p> <p>We have a trade list of 700. All our clients are commercial. The product is compared to competitors including policy wordings to ensure we offer a product in line with customer expectations in our sector. Furthermore, we monitor complaints incl claims, and conversion ratios as an indicator to product performance. The product is multi line and allows customers to 'build' their quote by adding or removing covers they require, thus benefiting them by not paying for what they do not require. There is a core block of MD which is compulsory, and a further 10 covers which are optional. In addition, the majority of indemnity limits are variable bringing options and pricing benefits to clients.</p>
Unsuitable Market Description:	<p>Micro SME clients. Those clients not on our trade list of 700.
